SECTION 1 - INTRODUCTION

This directory provides a list of Piedmont Select Medicare Option One and Piedmont Select Medicare Option Two's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

The "network providers" listed in this directory have agreed to provide you with your health care and vision coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

In some cases where non-contracting providers submit a bill directly to you, the covered enrollee, you should not pay the bill, but should submit it to Piedmont Select Medicare Option One or Piedmont Select Medicare Option Two plan for processing and determination of your payment liability, if any.

Emergency care can always be obtained in or out of the service area from the nearest available provider. You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare nor Piedmont Select Medicare Option One or Piedmont Select Medicare Option Two will be responsible for the costs.

NOTE: With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

Please contact Piedmont Select Medicare Option One and Piedmont Select Medicare Option Two at 1-866-494-9927, 24 hours a day, seven (7) days a week for additional information. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. Introduction

This booklet provides a list of Piedmont Select Medicare Option One and Piedmont Select Medicare Option Two plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Piedmont Select Medicare Option One and Piedmont Select Medicare Option Two's formulary. If you have additional questions, please call our Customer Service at 1-866-494-9927, 24 hours a day, seven (7) days a week. TTY users should call 1-866-236-1069. Or, visit www.pchp.net.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Piedmont Select Medicare Option One and Piedmont Select Medicare Option Two. In most cases, your prescriptions are covered under Piedmont Select Medicare Option One and Piedmont Select Medicare Option Two only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Piedmont Select Medicare Option One and Piedmont Select Medicare Option Two PPO plans' Network Pharmacies

Pharmacy listings are organized first by the type of pharmacy (Retail, Chain, Mail Order, Long Term Care), the county and city in which they are located and then in alphabetical order of the pharmacy name followed by address and contact information.
