Network Participation Request Deadlines in 2024

Dear Providers,

As announced in a recent press release and as posted on our website [here](#), Piedmont Community Health Plan (Piedmont) will discontinue offering health insurance plans after December 31, 2024.

This change affects providers seeking participation in our network as follows:

- Applications for network participation with Piedmont will not be accepted after June 1, 2024 if the practice with which the individual is affiliated **is not** in-network with Piedmont at the time of application.
- Applications for network participation with Piedmont will not be accepted after September 1, 2024 if the practice with which the individual is affiliated **is** in-network with Piedmont at the time of application.
- Effective June 1, 2024, providers who will be joining a practice that is currently participating with Piedmont may reach out to our Provider Relations team at PCHPProviderRelations@PCHP.net. Network Request Forms will no longer be available on our website after May 31.

Please note:

Timely filing remains at 365 days. All authorization rules apply.

Piedmont plans to wind down our business in a manner that best serves our existing customers and meets all regulatory requirements during a transition period that will continue throughout 2025 and some period beyond.
